### **Confessions of a Beautiful Daughter of the Father**

I am a beautiful daughter of my Father!

I am a capable, intelligent and virtuous daughter.

I am far more precious than jewels and my value is far above diamonds and rubies. Strength and dignity are my clothing and my position is strong and secure. I open my mouth with skillful and Godly wisdom. The bread of idleness, gossip, discontent and self-pity, I will not eat!

The beauty of the world is vain, but my beauty comes from reverently walking with my Father. Each day I will focus on the present, knowing the Father's grace is sufficient for every task. I surrender all disappointments, fears and misunderstandings to Him, forgetting those things which are behind me and laying aside every sin and weight that easily entangles me. I press on to the high prize of being a beautiful daughter of my Father!

I am strong in You, Father and the power of Your might. God, You are my Father and I am Your precious daughter. I am created in Your image, a picture of Your love.

I am a Beautiful Daughter Woman God my Father!

## **Prayer and repentance of the lies of the enemy:**

Lord, I come to you right now with all the lies I have believed about my life, my relationship with my family and my relationship with the Father. I repent for not believing the truth about what you say about me in your word. I want nothing to do with these lies and want to replace them with the truth of your word and what you have to say about me, Father. I renounce all lies of the enemy and embrace the truth that You call me holy and dearly loved. I rebuke the voice of the enemy in my mind, take a stand against any deception trying to root in my life and I silence the lies in Jesus' name. I now tear these lies apart, throw them away, never to believe them again. I now ask you Father to help me replace every lie with the truth of your word. Thank you for loving and embracing me with your loving arms. In Jesus name, AMEN!
